Foreword

O young Mariner,
Down to the Haven,
Call your companions,
Launch your vessel,
And crowd your canvas,
And, ere it vanishes
Over the margin,
After it, follow it,
Follow the Gleam.

Tennyson.

SENIOR BLOTTER

First to win our hearts
When we came here,
Ever our friend and splendid pal,
Time will not dim
Our memories of your charm,
You've shown, your loyalty,
In tribute to the sportsmanship
You've shown your loyalty,
And love,
We kneel this one last time
Before the Black and Crimson shrine,
And offer up this parting gift
To you.

Goodby

Goodby to the Black and Crimson,
Goodby old High School dear,
We're leaving today, we're going away,
Loud rings our parting cheer.
But our hearts are touched with a sadness,
And it's hard to say adieu,
We linger awhile in the hall and the aisle,
We're sorry we're leaving you.
But the time has come for departure,
Our places will soon be filled,
And the world out there is bright and fair
And we have castles to build.
So au revoir old High School dear,
Our days with you are o'er,
But luck to you in all you do.

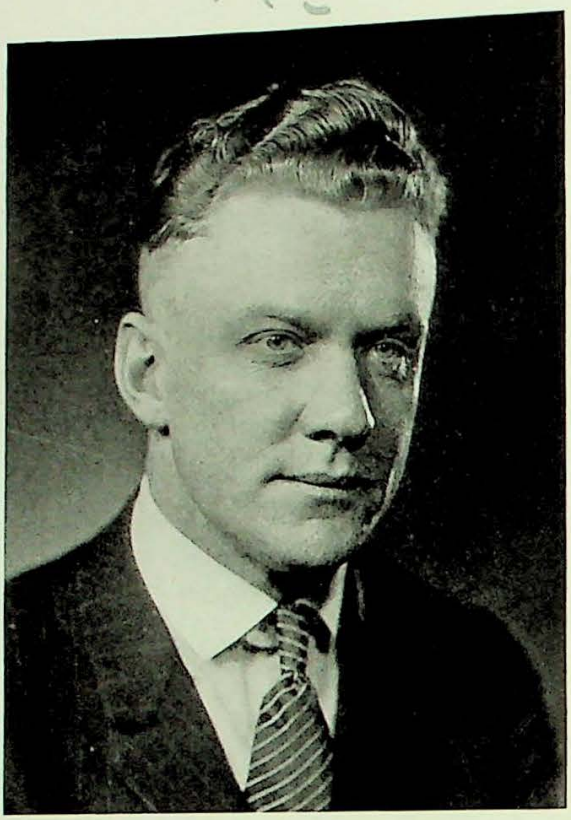
ATHLETICS



A New Era

In the past, there has always been a faithful bunch of backers of the New Albany High School athletics. Through victory or defeat this same bunch has stood behind the teams and by the nature of their support, High School has been able to keep teams on the field.

Some years this spirit has waned a little but in the Spring of 1923, a group of men, under the leadership of Mr. Zeillmann and Mr. Buerk, met together for the purpose of fostering this loyalty to High School. The result of that meeting was the blazing up of more spirit than had ever been present at the High School before. An Athletic Association was formed and a coach for High School was sceured.

When Mr. Buerk announced the appointment of J. J. Kraemer as Physical Director, he probably knew what a great step forward was made in developing N. A. H. S. Athletics and before the football season was half over, all New Albany knew it.

"Jack" Kraemer attended the academic department of Sioux Falls College, at Sioux Falls, South Dakota during his four years of high school and his first two years of college. While there he was a three letter man—fullback on the football team, center on the basketball team, and pitcher on the baseball team. He was a Captain of both the football and baseball teams.

He attended North Dakota Agricultural College during his Junior and Senior years and was Captain of the basketball team during his Senior year. They won the State Championship that year. He was All-State fullback during his two years there.

He was out of athletics for four years. Two years of this he spent in over-seas service and the other two years he worked in the office of the North Dakota Food Commissioner and Chemist. The lure of Athletics however was too strong for him to resist and so this winter found him here at New Albany, where you know his record.

With Coach Kraemer back the 1924-25 Athletic Season will have the support of every N. A. H. S. student, alumnus, and friend, and with such a backing only victories can result.

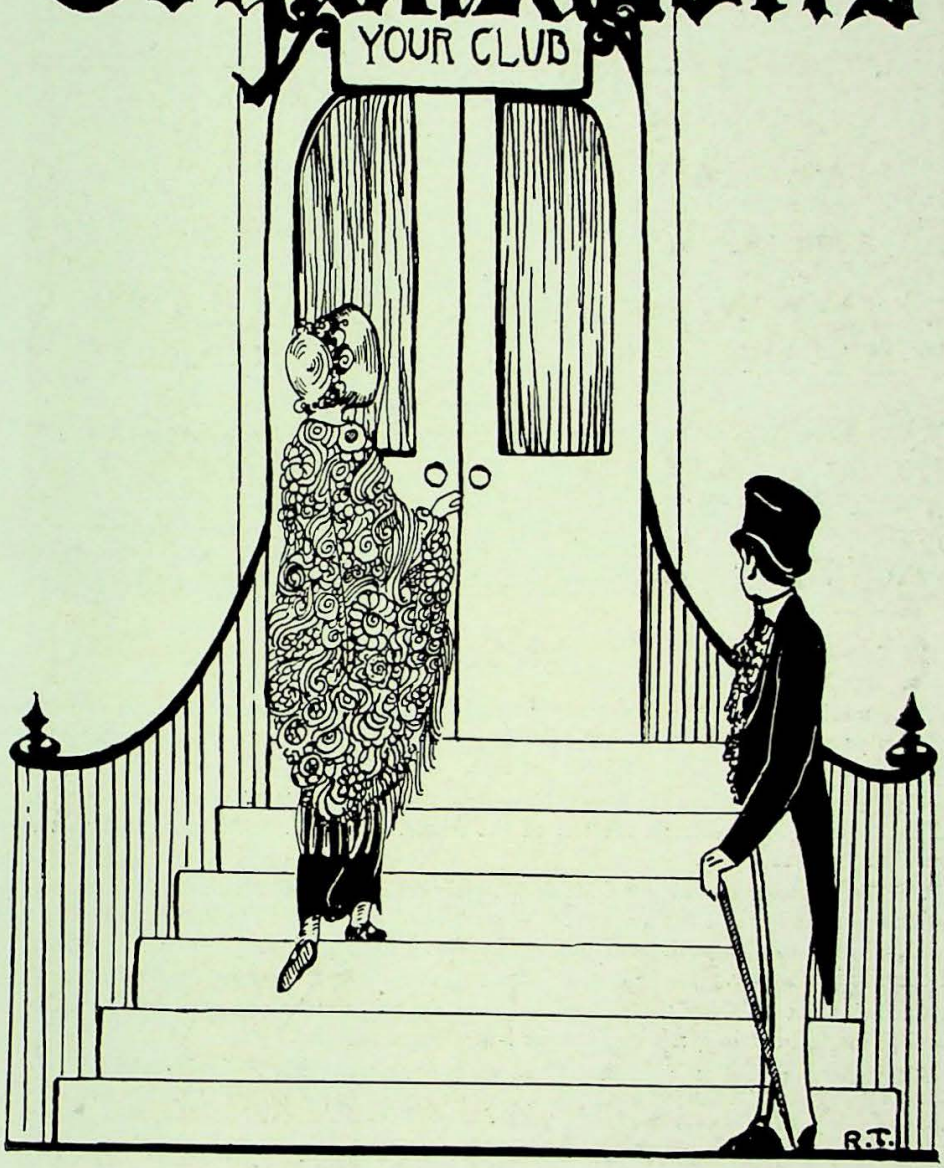
Organizations



M. S. M.

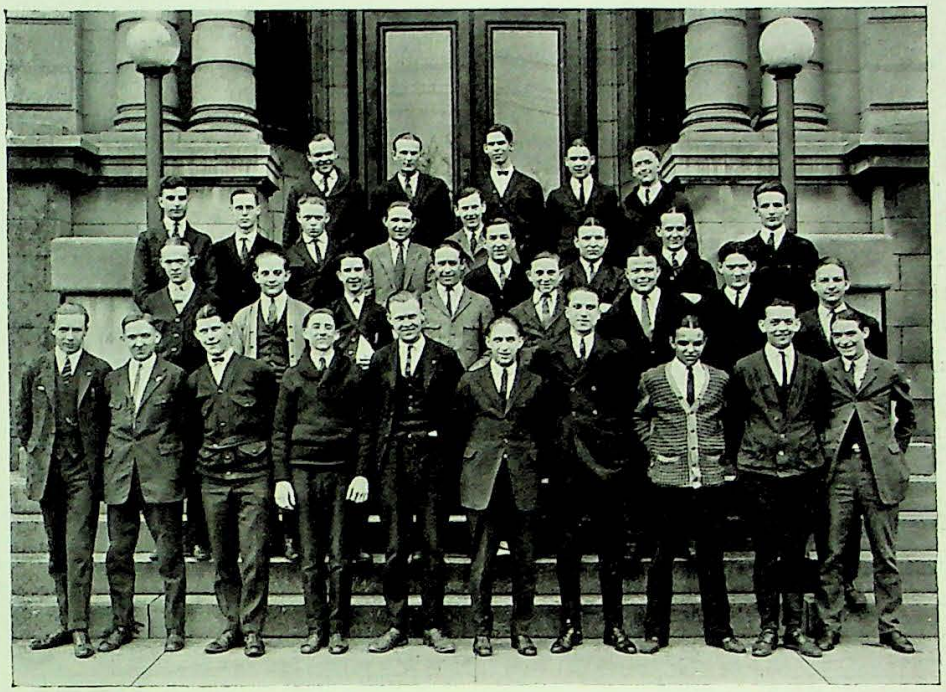
The traditional secret club organized by the girls of every graduating class was organized this year with Miss Wood and Miss Day as critics. An executive committee of five members was elected to make plans for the club.

Unlike most other clubs the Senior clubs have no other object than to have a good time and to do their best to startle the rest of the school. The M. S. M. girls feel that they have done both this year.

On Washington's Birthday the M. S. M. girls came to school wearing dark dresses with white colonial fichus and little aprons. Their bobbed heads wore the stately powdered and curled coiffures of the ladies of Washington's day. Each girl wore a bunch of glistening red cherries in her hair.

On Saint Patrick's day the girls again made the school take notice when they came to school all decked out in green crepe paper hair ribbons and ties.

Altogether, we feel as if we have lived up to our name, "Merry Senior Maids."



M. O. B.

President——Owen Kopp
Vice-President—Robert Morris
Secretary &Treasurer—Frank Goodbub
Critic—Mr. Hauswald

M. O. B., the Senior Boys Club, was organized to foster a spirit of unity and fellowship among the male members of the graduating class of '24.

The initials M. O. B. occasioned many humorous suggestions as to their probable meaning. Some of names suggested were Merry Old Bums, Men of Beauty, etc.; but no one guessed correctly.

When we tell you that M. O. B. stands for "Men of Brilliance" we are sure you'll agree it's a well-fitting name, for when has there been a more illustrious class?

Speakers Club

The Speakers Club made an auspicious beginning this year with its Annual Thanksgiving Dinner for the poor, and proved that "practice perfects" by making all preparations in less time than usual. About a hundred hungry little boys and girls were appeased and made happy, and some of the frail mothers were sent nourishing food. Christmas stockings were filled to gladden the hearts of the same poor children.

The speakers have also lived up to their name, by public appearances where they have acquitted themselves with distinction. On February twenty-second, dressed in Martha Washington costumes they entertained in Assembly with patriotic songs and speeches. Mary Bartle, Doris Farnsley, Hortense Seibel, Mable Long, and Lucille Broecker were the speakers. Jean Eisenhauer led the singing, accompained by Alice Wolpert at the piano. On the same afternoon they entertained members of the Faculty with a Martha Washington Tea. The Annual Speaker Dinner Party, March the twentieth was more lovely than ever, a charming green and white affair, with an innovation, toasts by the girls. Agnes Deuser acted as toastmistress; and Doris Farnsley, Mary Bartle, Gertrude Pierce and Dorothy Brod made toasts.

The crowning chievement was a debate with the Wranglers on April second in Assembly on the subject, "Resolved that Capital Punishment Should be Abolished," the girls taking the affirmative. The Speakers lost 2-3, but had prepared interesting and well connected speeches. To prove their good will toward their opponents they entertained the Wranglers with a gay, childish party at the High School building. There will be probably six or eight of the girls try out for Sapinsky Preliminary.

The Club has worked all year with its ideals in mind and has more nearly attained its goal than ever before. The girls are striving to succeed in oratory, to become powers of achievement in school activities, to be charitable to the worthy, and to promote friendliness and a social spirit in school. They are leaving their example and an earnest desire for their successors to attain that for which they have striven.

Officers for the last term were: Doris Farnsley, president; Mary Bartle, Vice President; Jane Frew Pearce, Secretary; Dorothy Brod, Treasurer; Jean Eisenhauer, Student Critic; and Miss McClain, Critic.

Speakers Club

The Wranglers

The Wranglers! This year the Wranglers, after a long period of inactivity, have regained all their lost prestige and have come back to take once more their place as a leading Club of School.

At the beginning of school the prospects for a successful year were slim. There were but eight Wranglers back in school and with some of them interested in football, it seemed that it would be impossible to revive interest in the Club this year and for the few meetings nothing was done. This scarcity of members from last year proved to be the Club's salvation. Under the leadership of President Morris, a worth while bunch of fellows was voted into the Club and night meetings were instituted. Results were immediate and gratifying. Attendance at the meetings increased to a hundred per cent and public speaking, which is the real object of the Club, was once more promoted. Debates held forth at the meetings and it wasn't long before two debates with Male High School of Louisville were arranged. These took place at the Boys' High School and here the Wranglers surprised themselves and everybody else by winning one, and tying the other of these debates.

On Lincoln's Birthday they made their first public appearance in Assembly in a Lincoln's Day program. Then came the big event of the year. The first Speaker-Wrangler debate since that one of ten years ago was held and the Wrangler team, composed of Al Hoehler, Lee Cooper, and William Janes, were returned winner. The subject of the debate was "Resolved, That Capital Punishment should be abolished."

The Wranglers took charge of boys' Week under the direction of Mr. Williams and were able assistants in making it a success in New Albany. Then came the Annual Banquet, the Fifteenth. The Speeches and the Program made this one of the best ever given. The debate on Co-education marked the last public appearance of the Wranglers in a body this year.

Much was done this year by Wranglers for which the Club didn't get credit. Three of the Junior Class officers, including the President, were Wranglers, and the President and Treasurer of the Senior Class were Wranglers. Six of the winners of the Athletic Events at the District Conference at Jeffersonville were Wranglers and the President of the Conference was a Wrangler.

All told, this year the Wranglers were really the Club they were intended to be by John Sweeney and they have laid a foundation for next year that makes it certain that the Club will continue to hold its place next year.

"Ensemble"

The Sophomore girls in '22 held their first meeting in Room 2 and organized a club with Miss Kirk as their critic. With her aid they selected a very appropriate name "Ensemble," which means "all together." The girls have all co-operated with each other exceedingly well and thus have accomplished many things which otherwise they would not have been able to. At last, after nearly four years of attempt, most of the students are able to pronounce "Ensemble" correctly.

The Club has done some charity work and has always aided in the big events of school. They assumed the responsibility for stage decorations for the entire Lyceum Course and many other affairs as well.

The Ensemble has broken all past records for play production. As their initial entertainment they gave a very delightful play in Assembly entitled "Mrs. Oakley's Telephone." Encouraged by the success of this, they planned an evening's entertainment in the form of a Japanese Tea. They presented the Japanese Masque, "The Sun Goddess," and served oriental dainties in a riot of Wistaria and Cherry blossoms. The next year the Ensemble staged the well known but difficult play, "The Dragon," and acquitted themselves creditably. This year, as Seniors the girls gave two plays. They were "Three Pills In A Bottle" and "The Man Who Married a Dumb Wife."

The Ensemble has been very active in social affairs around school. They entertained the football fellows of '23 with an exciting Hallowe'en party and the basketball fellows of '23 with a delicious banquet. As Juniors they served a luncheon with the Faculty as their guests. Each year the club has had a number of programs, parties and hikes just for club members.

The Ensemble feels that its record has justified its existence as a social organization in New Albany High School. Their achievements are in a large sense due to the coaching and help of the critic, Miss Kirk. She has always worked faithfully for the Ensemble girls and they certainly appreciate what she has done for them.

The Ensemble as a High School Club will cease to exist with the graduation of the present Senior Class.

"Seven-Up"

Early in Nineteen Twenty Four the Seven-Up Club was organized by seven Sophomore-A boys; Oliver Winn, Roosevelt Stanley, Harry Biggs, Robert Gwin, Harold Miller, Jack Bulliet and Kenneth Taylor with Miss Montgomery as critic.

The Club's purpose is to raise money for a college scholarship fund. The scholarships will be granted annually to that boy graduate of New Albany High School whose ability and work merit the award; the College or University to be chosen by the student selected, from a list of approved and accredited Universities.

Already the fund has passed the $70.00 mark. The club wishes to acknowledge gratefully the assistance given it by the Hess Motor Company, Mayme Schmitt Confectionery and Luncheonette, the Barth Bakery, the Tribune Company and the Management of the Elks Theatre.

WALLACE DUNCAN

The following letter from the president of Baker University, located at Baldwin, Kansas, came to Mr. McClain a few days ago:

"You will be interested in knowing that Mr. [illegible] Duncan, a graduate of your high school, is this year an honor student in the senior class of Baker University.

"We are proud of the excellent work he is doing here, and know that good preparation in high school has made this possible. We therefore consider the honor as belonging in part to your school.

"Cordially yours,

"WALLACE B. FLEMING."

We are not surprised that Wallace Duncan has achieved honor in the university. He left behind him in this school a most [illegible] record not only as a student but as an athlete. We, too, are proud of him.

Commercial Club

For the last two years, New Albany High School has been represented at the State Typewriting and Shorthand Contest held each year at Muncie, Indiana. In '22 we had the best team average in typewriting of any team there and won the bronze medal. In '23 we won the gold Cup which is awarded each year at the novice typewriting contest for having the best team average. Last year, we also had the best shorthand student who won the gold medal. District contests were held this year throught the state, the winners of these contests being the ones who were to go to Muncie. Madison was our only opponent at the district contest held here April 8. We won first, second and third places in both shorthand and typewriting. Our teams were: Dorothy Wolfe, Dorothy Huckeby and Geraldine Hollis from typewriting; Mabel Long, Edith Kron and Ina Mae Miller from shorthand.

Miss Wood and the two teams went to Muncie for the State Contest May 9th.

Mabel Long won the bronze medal in the novice shorthand contest and we received second place for team average. Miss Wood took second place in the contest for commercial teachers.

The Glee Club and Orchestra were organized in October, 1923. Weekly meetings of each organization were held in order to prepare musical numbers to be given before the students.

The Glee Club gave special programs for Thanksgiving and Christmas. The last week in January the Glee Club and Orchestra gave an Assembly program, which included a variety of selections. The Glee Club and Orchestra, together with the other clubs of the school, presented an interesting evening program on March 19th for the parents, which was highly appreciated.

We are gradually obtaining a library of part songs. These have been purchased with the money we made from the weekly sandwich sales.

We have had an enjoyable year together. In addition to our weekly meetings we have had several parties. Our officers have been very efficient and all the members have worked to make the clubs successful.

The officers of the Glee Club for the past year were:

President—Martha Lang. *Librarian*—Martha Ehalt.
Secretary—Ruth Hottle. *Treasurer*—Homer Gulitz.
Critic of Glee Club and Orchestra—Miss Taylor.

The Boosters

The Boosters were organized in 1922, primarily for the purpose of boosting athletics. Miss Rusk was made club critic and it was mainly through her efforts that the club was well established. The members have tried to bring about a greater feeling of loyalty and enthusiasm toward our teams. They have sold tickets for the games, and held rallies and parades to advertise them. The aim is a better and more sportsmanlike spirit for the whole school among the students.
